

702432 PS Numerische Mathematik 2

SS 2019

Mirko Residori
e-mail: mirko.residori@uibk.ac.at

Course information

- Students should solve the assigned exercises given each week. During the lecture, the students will have to present one of the assigned exercise and answer questions both from the colleagues and the teacher.
- There will be 2 tests: a mid-Term test and a final-Test.
- The minimum requirement to pass the PS is to obtain a 4 in the presentation and both the tests.
- The final grade will be the average of the 3 marks.

Preliminary dates for the tests

- Midterm test: 29.04.2019 - 16.15-18.00 rr 22
- Final test: 24.06.2019 - 16.15-18.00 rr 22
